

Mental Health Counseling Program Data 2019-2020 Academic Year

Annual Report for MPCAC Accreditation

| | |
|--|-------------|
| Applications received to matriculate in academic year (AY) 2019-2020 | 176 |
| Of those applications, number of students admitted | 114 |
| Of those admitted, number newly enrolled in 2019-2020 | 34 |
| Of those who were newly enrolled in AY 2019-2020, number who continued this fall (fall 2020) into year two (first year retention rate) | 31 |
| Total number of students enrolled in the program during the AY 2019-2020 | 128 |
| Number of students who graduated in the AY 2019-2020 | 59 |
| Number of full-time students who started the program and graduated within the expected time frame (two or three years, depending on your program length). This would NOT include part-time students who graduated in the AY 2019-2020 | 57 (97%) |
| Percent of students who enrolled in the program in fall 2015 (AY 2015-2016) who graduated from the program (5-year graduation rate) | 100% |
| Percent of those who graduated in the years 2016 to 2018 who became fully licensed and/or credentialed (as mental health counselors, professional counselors, BCBA, substance abuse counselors or other similar titles) | 62% * |
| <i>* This percentage is based on alumni who responded to our survey inquiring about licensure and does not include alumni who are presently in doctoral programs seeking licensure at the doctoral level, or our international alumni who are working outside of the United States in countries without these licensing options. Due to the disruptive circumstances following the COVID-19 pandemic, many of our 2018 graduates are continuing to accrue hours toward licensure, with intentions of gaining licensure in the near future.</i> | |
| Percent of those who graduated in 2019-2020 who became certified or licensed (depending on your state's regulations) as school counselors | N/A |
| Please enter the percentage of courses taught by adjunct or part-time faculty over the 2019-2020 AY | 35% |
