Preparing for Study Abroad

- To maximize your study abroad experience, you should prepare yourself by learning about your host country, its history, culture, and economy. You may want to begin with: [www.economist.com/countries](http://www.economist.com/countries) or [http://www.britannica.com/](http://www.britannica.com/) for a summary.
- Engaging with and adapting to a different culture is an inherent component of study abroad. You will find the following websites useful to learn about intercultural communication before you leave home: [http://www.pacific.edu/sis/culture/](http://www.pacific.edu/sis/culture/) and [http://www.peacecorps.gov/wws/educators/enrichment/culturematters/index.html](http://www.peacecorps.gov/wws/educators/enrichment/culturematters/index.html)
- Customs and traditions in your host country are different from those at home. To learn a little about the local customs and traditions you should visit the following website: [http://www.britannica.com/EBchecked/topic/44183/Austria/274933/Daily-life-and-social-customs](http://www.britannica.com/EBchecked/topic/44183/Austria/274933/Daily-life-and-social-customs)
- You and your parents should refer to the Office of International Programs website ([www.bc.edu/international](http://www.bc.edu/international)) and specifically to the *Study Abroad Handbook* for more information regarding the abroad experience.
- Prior to your departure you will meet with your International Study Advisor at an orientation to help you further prepare for your study abroad experience.

Travel Information

- You are responsible for making your own travel arrangements. In the past BC students have often used student travel agencies such as STA Travel at [www.statravel.com](http://www.statravel.com). These agencies generally offer competitive rates.
- To study in Austria, you must have a passport that is valid for at least three months beyond your estimated return date. You may apply for a passport at any major US post office. Be sure to start this process as soon as possible as it usually takes six to eight weeks to complete.
- You will need a visa in order to remain in Austria for up to 6 months. For stays of more than 6 months a residency permit is required. For more information about the process you should go to:

- You will need to apply **in person** and you documents (be sure to make copies) will then be forwarded to the Alien’s Office for your area of residence. Once your application is approved it takes about 25 days for the consulate to issue your Residence Permit (visa) for the rest of your stay. You will find consulate offices in New York, Washington DC, Chicago, and Los Angeles.

- Within three working days of your arrival in Austria, and also in case you move from one accommodation to another, you have to register your residency with the municipal authorities (in Vienna called 'Magistratisches Bezirksamt'). You will find information about this registration process at the following website: http://www.oead.at/welcome_to_austria/legal_practical_issues/life_in_austria/registration/EN/. In order to register you will need the following documents: passport; birth certificate; registration form (*Meldezettel*), available from the registration office (must be signed both by the landlord/landlady the tenant).

- To get from Vienna International Airport, located outside the city limits, to the city center, you can take the City Airport Train (CAT), the Airport Express bus, the Schnellbahn (S-Bahn), the Vienna Airport Service or a taxi. Don’t forget to send your contact information abroad to OIP once you’re settled.
