Preparing for Study Abroad

- To maximize your study abroad experience, you should prepare yourself by learning about your host country, its history, and culture. You may want to begin with: www.economist.com/countries or http://www.britannica.com/ for a summary.
- Know what is happening in the news in your host city by reading the on-line newspapers: www.einnews.com/poland/ and www.mondotimes.com/1/world/pl/114/3824
- Engaging with and adapting to a different culture is an inherent component of study abroad. You will find the following websites useful to learn about intercultural communication before you leave home: http://www.pacific.edu/sis/culture/ and http://www.peacecorps.gov/wws/educators/enrichment/culturematters/index.html
- Customs and traditions in your host country are different from those at home. To learn a little about the local customs and traditions you should visit the following website: http://www.britannica.com/EBchecked/topic/466681/Poland
- You and your parents should refer to the Office of International Programs website (www.bc.edu/international) and specifically to the Study Abroad Handbook for more information regarding the abroad experience.

Travel Information

- You are responsible for making your own travel arrangements. In the past BC students have often used student travel agencies such as STA Travel at www.statravel.com. These agencies generally offer competitive rates and open-ended tickets allowing you to leave Poland whenever you want (as long as your visa does not expire).
In order to study in Poland, you must have a passport valid at least six months beyond your estimated return date and a student visa. You may apply for a passport at any major U.S. post office.

Polish visa regulations have recently undergone some changes. In addition to a valid passport, you must also have a student visa before you arrive in Poland. You will also need one passport-sized photograph and a letter of invitation addressed to the consulate from the Jagiellonian University. You will need to fill in a visa application form available online at [www.msz.gov.pl](http://www.msz.gov.pl). In addition you may be required to provide a copy of your travel itinerary and some proof that you have the financial means to support yourself while you are in Poland (a printout of your bank statement is usually sufficient). There is no charge for the visa but there may be handling fees. Be sure to check: [http://www.msz.gov.pl/VISA,REQUIREMENTS](http://www.msz.gov/pl/VISA,REQUIREMENTS) for the latest information about Polish visas.

- US-based airlines are required to check to see whether you have a valid visa for your destination before you get on the plane.
- Contact Ben Koschalka or Sylwia Boryka (see ‘On-site Contact Information’) to give details about your arrival plans. The Center for European Studies (CES) will send someone to pick you up at the airport or train station.
- If you are staying the program for one semester, your US health insurance and HTH Worldwide insurance will be adequate, although you will also be required to purchase the Jagiellonian University student accident and life insurance at a cost of about $7 for the year.
- Vaccinations are not required for U.S. citizens travelling to Poland.
