Financial Aid Transcripts and Health Profession Students

FINANCIAL AID TRANSCRIPTS AND HEALTH PROFESSION STUDENTS
Incoming Graduate School of Nursing students who received educational financial assistance from the U.S. Department of Health and Human Services (HHS) will be required to have a Financial Aid Transcript (FAT) completed by each post-secondary educational institution previously attended before federal financial aid funds can be disbursed and credited to their account since HHS/DSA student borrower information is not currently available from the National Student Loan Data System (NSLDS). An incoming graduate nursing student who has indicated receiving financial assistance for a previous health profession program will be sent further information and a blank FAT form, which may be photocopied and sent to each institution previously attended.

2016-2017 Federal Direct Stafford Loan and Graduate or Professional Student Plus Loan Applications
All Federal Direct Stafford and Grad PLUS loans are processed through the Federal Direct Loan Program. You must complete all application requirements, and you will be notified of your eligibility for financial aid for 2016-2017. If you completed a Master Promissory Note (MPN) for a Federal Direct Stafford and/or a Grad PLUS for a prior year, you will not have to complete another MPN. Once your loan(s) have been originated, they will be linked to your existing MPN. You must reapply for a Grad Plus loan each year. To apply for a Grad PLUS loan visit the U.S. Department of Education website at www.StudentLoans.gov, and please note that PLUS loan borrowers cannot have an adverse credit history. When you apply for a Direct PLUS Loan, the Department of Education will check your credit history. If you are determined to have an adverse credit history, you may still receive a Direct PLUS Loan if you obtain an endorser who does not have an adverse credit history. Detailed information about the Federal Direct Loan Program can be found on the Student Services website at www.bc.edu/stafford.

Student Loan Disbursements
Federal financial aid regulations require that all Federal Direct Stafford Loan funds be disbursed in two equal installments for loan periods longer than one semester. Therefore, summer/fall and spring applicants will receive three separate loan disbursements—two during the summer/fall loan period and one during the spring period. The first disbursement for each loan period will be scheduled for the beginning of the loan period, and the second disbursement for each loan period will be scheduled for the midpoint of the loan period. The loan proceeds will not be credited toward your bill until the funds have been received. Students must plan ahead and be prepared to pay for books and/or living expenses until the funds have been disbursed. Detailed information about the Federal Direct Stafford loan can be found at www.bc.edu/stafford.
**Private Alternative Loans**

Information about private alternative education loans can be found at www.bc.edu/altloans.

**Boston College Institutional Funds**

Boston College Institutional funds (assistantships, fellowships, grants, scholarships, stipends, and tuition remission) are awarded by the individual graduate schools. Students who wish to be considered for institutional funds should contact the appropriate graduate school. Notice of receipt of these awards are electronically forwarded to the Office of Student Services by the individual graduate schools to ensure proper coordination of all University financial aid resources as required by federal financial aid regulations. **Total financial aid cannot exceed total calculated federal eligibility.** If your total financial aid resources, including assistantships, fellowships, grants, scholarships, non-service stipends, and tuition remission exceeds your total calculated federal eligibility, an adjustment to your financial assistance is required. Depending on the timing of the notification from the academic department, it is very possible that adjustments to your award will be made anytime after the start of the academic year. These adjustments may necessitate the return of loan proceeds that have already been disbursed and may create a balance on your student account.

**Deferment of Prior Federal Education Loan(s)**

Under certain circumstances, you may qualify for a deferment for prior federal education loan(s) that you have borrowed. If you are enrolled at least half-time in a degree or certificate program, you may qualify for a deferment. These loans may include Federal Direct or FFEL Stafford Loans, or Federal Perkins Loans. Information about deferment provisions is available at the United States Department of Education website at www.studentaid.ed.gov. Click on the link “Repaying Your Loans.” You also may contact your lender or loan servicer for information about a possible deferment of your prior federal education loans.

**PLEASE NOTE:** Federal financial aid renewal is not automatic. **Students must re-apply for financial aid each year in which they are interested in being considered for assistance.** It is the student’s responsibility to obtain the graduate student financial aid application annually from the Office of Student Services’ website www.bc.edu/studentservices.
Any student applying for financial assistance and his/her spouse are required to complete all sections, attach requested documentation, and sign this form. Please include the student’s name and Eagle ID number in the upper-right hand corner of all correspondence. The 2016-2017 Graduate Financial Aid Application/Validation will not be considered complete nor can an award be made until all forms have been properly completed, signed, and received. Financial aid renewal is not automatic. Students must reapply each year. It is advisable that students keep copies of all forms submitted, and be certain to read the policy about submitted aid application documents at the end of this application.
