To Whom It May Concern:

Below is the Application for Accessibility Parking. This form must be filled out by both the requestor and a doctor. Please make sure that your application includes the following:

1. A clear diagnosis of the disability/condition written by a medical professional.
2. Documentation of the disability must be current. (The age of the required documentation also may be dependent upon the nature of the disability and the specific requested accommodation.)
3. A statement of the functional impact and limitations of the disability in regards to mobility. If the permit is requested for medical appointments the frequency, location, and duration of the appointments must be cited by the doctor.
4. *A list of recommended parking accommodations with an explanation of its relation to the disability or condition.*
5. Please note parking in an accessible parking space is only permitted with a state issued placard.

Please make sure that all of the required information above is included in your doctor’s letter. **A DECISION CANNOT BE MADE WITHOUT THE INFORMATION ABOVE. THE LENGTH OF TIME NEEDED TO MAKE A DECISION WILL INCREASE IF INFORMATION IS UNCLEAR OR INCOMPLETE.**

If any information is unclear or missing the permit timeline for a decision can increase. So, we ask that all information be included in the application to make the process as quick as possible. The information can be faxed to the Transportation and Parking Office at 617-552-0969. If you should have any further questions about your application please call us at 617-552-0151.

All requests made by faculty and staff are reviewed by Transportation & Parking and by Robert Lewis, Associate Vice President for Human Resources. All requests made by students are reviewed by Transportation & Parking and with the Assistant Dean for Students with Disabilities.

Sincerely,

John Savino
