A major of 36 credits (12 courses) in a specific subject in Arts & Sciences is required. **At least 8 courses in an A&S major must be completed before students can register for a full practicum.** Students pursuing Secondary Education cannot take an Interdisciplinary major and be certified.

**Note:** ED301 History methods (F,S) should be taken the semester prior to ED250 & ED231. ED302 English methods, will be offered in the fall semester, and section .01 is the only section available for undergraduates. Most students who choose a semester abroad do their full practicum in the spring of senior year. Students doing their full-time teaching follow the school district calendar, not the BC calendar.

It is the student’s responsibility to read the Boston College catalog, to review their degree audit, to know the requirements and to take the appropriate number of courses and credits to graduate.
