Members of the Class of 2014 and beyond are required to enroll in at least 120 credits to complete requirements for graduation. This includes: (a) ERAS, (b) the university core, (c) an Elementary Education major (d) an A&S major, or a Lynch School interdisciplinary major, and (e) electives.

**NOTE:** Sophomores and Juniors must take some Education courses in either the fall or spring semester with co-requisites; education courses listed together are designed to be taken together.

ED346.01, Teaching Bilingual Students, is a required course for all classes. Students may take this course during any semester that works with the students’ schedule.

Students who have received AP Math credit should inquire in Campion 104.

**Total:** At least **120 credits** for the Class of 2014 and beyond.

It is the **student’s responsibility** to read the Boston College catalog, to review their degree audit, to know the requirements and to take the appropriate number of courses and credits to graduate. Most students who choose a semester abroad do their full practicum in the spring of senior year. Students doing their full-time teaching follow the school district calendar, not the BC calendar.
