A woman hides yeast; a widow threatens a judge; a woman seeks a coin; wise and foolish virgins await a bridegroom. These parables can be read as universal teachings about theology or salvation. They also correct erroneous stereotypes of Jewish women, prompt necessary questions about gender, and offer provocative insights into ancient and modern relationships. This celebration of the feast day of St. Mary of Magdala begins with Mass, followed by lunch and a lecture.

Summer Contextual Education

For Summer-Only Degree Students

Contextual Education is the supervised ministry requirement of the M.A.T.M. and M.A.P.M., completed in the latter part of degree work. It is composed of two elements: work at a supervised ministry site; and participation in the classroom component (on-campus for M.A.T.M. students; on-campus and online for M.A.P.M. students). The purpose of Contextual Education is to provide students with the opportunity to bring theology and context together in an intentional way and develop reflective practices of ministerial leadership. We believe that no matter how long a person has served in their context of ministry – whether the parish, the school, the campus, the retreat center, or the hospital – Contextual Education will augment one’s capacity for the integration of faith and practice.

Typically, summer-only M.A.P.M. students complete their Contextual Education placement requirement from September to May in their home community, and for many, it is also their place of employment. Ministry sites must be investigated and established prior to the beginning of the Summer for M.A.P.M. students. Therefore students should work with Dr. Theresa O’Keefe, Faculty Co-Director for Contextual Education in the prior spring. She can be reached at (617) 552-0932 or theresa.okeefe@bc.edu.

Contextual Education includes a “classroom component” for the purpose of group reflection. In the summer before beginning their placements (Summer I), students meet for three afternoon meetings for initial introductions and familiarization with the processes used throughout the year. From September – May students interact regularly online. Finally, during the summer following their placement experience (Summer II), students meet in the group two afternoons to debrief and reflect on their experience.

This year, Summer I for the 2016-2017 class will meet on Tuesday, July 26, Wednesday, July 27 and Thursday, July 28 from 2:00 – 4:30 p.m. All meetings will take place under the leadership of Dr. Theresa O’Keefe, Faculty Co-Director for Contextual Education. Students should register for TMPS800702. Students will need to read Shared Wisdom: A Guide to Case Study Reflection in Ministry by Mahan, Troxell, and Allen (1983) in anticipation of the Summer I meetings.
ONLINE HOUSING APPLICATIONS
For complete housing information, please visit: http://www.bc.edu/summerhousing and click on the STM Summer Housing option in the left navigation bar.

The Summer Session Housing Application will be available via the Agora Portal beginning April 6 and are due by June 5. Please note: You will need your BC username and password to access your account and apply for housing.

Due to space restrictions, housing assignments will be granted based on the date we receive your application. Once housing is filled the online application will be closed regardless if the application deadline has not passed. All students applying for STM Housing must confirm that they have read and agree to the Summer Housing Residence Agreement during the application process.

If you have a specific person with whom you want to share your room or apartment, please indicate so on the application form. You may request only a person who is taking the same sessions as you are. We are unable to "hold" a space for two weeks until a friend arrives. Conversely, should your roommate/apartment mate leave earlier than you, we will need to fill the bed space with a new student.

Once your Summer Housing Application has been submitted, it will retain the status "Incomplete" until it has been processed by staff. Once it has been processed, you will receive a confirmation email. Application processing will not begin until Tuesday, May 24th. In order for the application to be approved, you must be registered for a course within the applicable session. Students not registered upon submission of a Summer Housing Application will not be approved. To prevent a delay in processing, please register for your courses prior to applying for housing.

If you require assistance submitting your application, please call 617-552-4727 until May 20th between 9:00 a.m. and 5:00 p.m. and 617-552-5555 from May 19th until August 5th between 9:00 a.m. and 1:00 a.m. We are unavailable by phone May 17-May 19. If you have already applied for STM Housing and would like to update your application in any way, please e-mail summer.housing@bc.edu by June 15.

Singles are not guaranteed for participants and are on a space available basis only. Please make sure you have applied by the June 2016 deadline. Summer Housing cannot guarantee housing for applications received after the June 2016 deadline. If you have any questions regarding summer housing, please e-mail stm@bc.edu or call Steve Cote at (617) 552-6511.

Each bedroom is furnished with two single beds, two desks, two study chairs, and two dressers. All buildings at Boston College, including the residence halls, are smoke free.

The Office of Residential Life will e-mail you a confirmation once your application has been accepted. You can review and make payments to your student account on the Agora Portal.

Payment for housing must be submitted prior to check-in. Students who have not paid for housing and tuition charges will not be admitted to class until charges are paid.
Traveling to Boston

INTERNATIONAL STUDENT VISAS

TO: Prospective International Summer Session Students
FROM: Adrienne Nussbaum, Assistant Dean for International Student Services
DATE: Summer Session 2016

As you may know, the United States Government requires citizens of another country to have a visa in order to enter the United States. As you are a prospective student for the Boston College Summer Session, I would like to inform you of the latest INS regulations.

Students enrolled in a Boston College **degree** program for summer study, and registered for classes in both sessions for credit are considered full-time. These students are required to obtain an I-20 from Boston College and enter the United States on a Student Visa. Students are not eligible for an I-20 if enrolled in a part-time program. Although visitors in B-1/B-2 status are not allowed to be enrolled in a “course of study,” casual, short-term, part-time coursework such as taking a single class is generally not considered to be a “course of study” and therefore may be permitted in the B category.

Medical Insurance to cover you during your stay can be purchased with your airline ticket through your travel agent. Of the three standard options, varying types of coverage are available. You are strongly advised to take advantage of these options when traveling abroad.

Please contact Donna DeRosa at (617) 552-8441 or e-mail her at donna.derosa.1@bc.edu or Adrienne Nussbaum in the Office of International Students and Scholars at (617) 552-8005 if you have any questions.

HOW TO GET FROM LOGAN AIRPORT TO BC

**PUBLIC TRANSPORTATION:** Take the Silver Line to South Station. At South Station take the Red Line inbound (toward Alewife) to Park Street Station. At Park Street Station, change to the Boston College Green B Line outbound trolley. Take this to the end of the line. Boston College is across the street.

**CAR:** From Logan International Airport, Boston, MA, follow the signs for Airport Exit and enter the on-ramp to I-90 West (also known as the Mass Pike or Massachusetts Turnpike.) Follow signs for the Ted Williams Tunnel. Continue on I-90 W through the Ted Williams Tunnel. In approximately six miles, bear right onto off-ramp at exit 20 to Cambridge St. Take Cambridge St. ramp toward Allston/Brighton. Continue on Cambridge St. for approximately two miles. Cambridge St. becomes Washington St. At lights, turn left onto Chestnut Hill Ave. Bear right onto South St. At the end of South St., bear right onto Commonwealth Ave. (Route 30 West.)

At the set of lights, Boston College will be to your left. To reach Stayer Hall at 110 St. Thomas More Drive, turn left at the lights and then turn right into campus. Stayer Hall will be the first residence hall on the left before you enter the gate to campus. Please check-in at the Summer Welcome Center in Stayer Hall.

**TAXI:** There are many taxi companies in the Chestnut Hill and Boston areas. They are generally reliable but they are expensive, about $60 including tip and tolls. It is usually best to circle where on campus you will be going and to give the map to the cab driver. Following are some of the major companies in the area (see the Yellow Pages for complete listings): Boston Cab (Brighton Cab) (617) 536-2600 or (617) 536-5010; Newton Yellow Cab (617) 332-7700.

In this one-credit formation process, students gather in small cohort groups for prayer and reflection on central themes of spirituality for ministry in order to cultivate practices for integrating faith, life, and ministry. The process consists of two parts: the weekly cohort and the creation of a personal spiritual formation plan, the components of which may be fulfilled throughout the duration of one’s degree program. Groups meet Mondays and Thursdays for three weeks in session one (except July 4) from 2:00 – 4:00 p.m. under the guidance of a trained facilitator. The meeting dates are Monday, June 27, Thursday, June 30, Tuesday, July 5, Thursday, July 7, Monday, July 11 and Thursday, July 14. The required Spiritual Formation Workbook is available through the online course reserves in the Theology and Ministry Library under TMPS7080. Graded on pass/fail basis.
NOTE: Master’s degree students who live locally and/or who also take courses in the academic year are required to take TMPS7080 in the academic year rather than the summer.
