St. John’s University Department of Campus Ministry seeks a candidate for the position of Residence Minister for Social Justice. The position requires all applicants to have a strong academic and pastoral background in the facilitation of spiritual development and direction with young adults. This position will seek a candidate with strong capacities to develop and lead a variety of social justice awareness activities. Abilities to collaborate with internal and external groups, help students develop the connection to faith & justice and moderate related programming are essential. The Campus Minister will live and work in residential housing. Strong lived experience of Roman Catholic faith and traditions. Master’s degree in Theology or related field preferred. Applications are due by May 10, 2013. Please send resume and cover letter to Tom Donoghue at donoghut@stjohns.edu
