Dear Student,

Welcome to historic Boston and the Boston College School of Theology and Ministry’s Summer Institute! For those of you who have been with us before, we look forward to your return; for those of you who will be joining us for the first time, we look forward to meeting you! Please read the information in this packet carefully as there are a number of new policies and details for Summer 2013.

WELCOME EVENTS – New students are invited to attend an orientation session prior to the start of classes. These orientations have been designed to provide you with an introduction to summer study at Boston College and an opportunity to meet other new students. If you plan to live on campus, you will want to arrive early enough on check-in day to settle in before the events begin. The orientations will last about an hour, leaving time for you to have dinner on your own and get settled in.

* Session I Orientation Sunday, June 2 4:00 – 5:00 p.m. ~ 9 Lake St.
* Session II Orientation Sunday, July 7 4:00 – 5:00 p.m. ~ 9 Lake St.

Please return the form on page 20 of this packet prior to June 1st if you plan to attend one of the orientations. To register online, go to the Web site www.bc.edu/stmsummer, Summer Information Packet, Orientation RSVP page.

New degree students are required to attend an orientation session.

New students who plan to enroll in an STM degree program and would like the credits they are taking this summer to count toward their degree should consult the degree-specific policies regarding summer courses on the STM website at http://www.bc.edu/schools/stm/acadprog/stmserv/acadpol.html before registering for courses. All new degree students will be required to take the STM Academic Integrity tutorial online. Please see page 13 for details.

All new and returning students are invited to join us for a Welcome Reception beginning at 7:00 p.m. on Sunday, June 23rd and on Sunday, July 7th in the third floor lounge in Vouté Hall. Light refreshments will be provided.

ONLINE HOUSING APPLICATION – The Office of Residential Life has developed a web-based housing application, available through the Agora Portal, Boston College’s computing system. Once new students register for courses, you will receive via e-mail your BC username and password which you will use to access the Agora Portal. Returning students will continue to have the same BC credentials. Once in the Agora Portal, select the option for summer housing and complete and submit the form online.

The Office of Residential Life Web site (www.bc.edu/summerhousing) includes information to assist with your transition to Boston College. Summer Housing rates and application dates and deadlines for 2013 will be available at this site in the coming weeks as well. The STM Summer Institute will have housing in the Vouté residence hall this summer and check-in for Summer Housing will take place for all students at the Summer Welcome Center at 110 St. Thomas More Drive. More information about STM Summer Housing can also be found on pages 10-11 of this packet.

PARKING – Students who would like to obtain a parking permit may choose to complete the parking permit application in advance, mail it in, and pick up the parking permit at STM on the first day of class. Details about this and other parking information for this summer can be found on page 14 of this packet.

TUITION AND HOUSING PAYMENTS – Please note that all tuition and housing charges must be paid prior to the first class. Students who have not paid their tuition and housing charges will not be admitted to class until the charges are paid.

JOIN US ON FACEBOOK – Connect with other STM Summer Institute students on Facebook. Join us at https://www.facebook.com/groups/197274500384222/#!/groups/197274500384222/

**Ask the Beasts: Spirituality and the Evolving Earth**
Presenter: Elizabeth A. Johnson, C.S.J.
Location: Robsham Theater, Chestnut Hill Campus

*Sponsored by the School of Theology and Ministry*

> "Ask the beasts and they will teach you; the birds of the air, and they will tell you; ask the plants of the earth and they will instruct you; and the fish of the sea will declare to you ... “ (Job 12:7-8)

Guided by this often unheeded advice, this lecture will ask the creatures formed by life’s evolution for their wisdom about the creative love of the living God. Their beauty and agonies disclose in new ways the energizing presence of the Spirit, the solidarity of Jesus in the flesh of suffering, and the immense power of the Origin and Goal of all. As a fellow species, human beings are summoned to a spirituality of relationship and ethic of care in this time of ecological distress.

*Elizabeth A. Johnson, C.S.J., is the Distinguished Professor of Theology, Fordham University.*

Sr. Schneiders will focus on the Resurrection Narrative as text, emphasizing the role of Mary Magdalene in our understanding of how Jesus is encountered in post-Easter Christian life. Free of charge, lunch included.

*Sandra M. Schneiders, I.H.M., is professor emerita of the Jesuit School of Theology in Berkeley, California.*

Registration for these events is available on page 19 of this booklet, through the STM online Summer registration form, and online at [www.bc.edu/stmce](http://www.bc.edu/stmce).
Contextual Education is required of all M.A. in Pastoral Ministry and M.Ed. students. The purpose of Contextual Education is to provide students with the opportunity to bring theology and context together in an intentional way. The disciplines of theological reflection, when brought to bear on a student's current experience in ministry, can provide powerful insights and lead to new growth, depth, and change. We believe that no matter how long a person has served in their context of ministry – whether the parish, the school, the campus, the retreat center, or the hospital – that context is a rich source of theology and a perfect arena for the integration of faith and practice. Contextual Education embodies the STM's commitment to theological reflection. A solid Contextual Education experience includes opportunities to share, process, and reflect with peers and with the STM staff.

Students should register for Contextual Education when they are halfway through their master's program. Typically, summer-only degree students complete their Contextual Education placement requirement from September to May in their home community. The time commitment at the placement is five hours a week for 28 weeks. This includes a one hour meeting with their supervisor each week. The location and nature of the placement is determined between the student and Theresa O'Keefe, Faculty Co-Director for Contextual Education, who can be reached at (617) 552-0932 or theresa.okeefe@bc.edu.

Furthermore, Contextual Education includes a practicum group for this purpose of group reflection. In the summer before beginning their placements, students meet in a Practicum Group (Practicum Group I) for three meetings for initial introductions and familiarization with the processes used throughout the year. During the year, students interact regularly online. Finally, during the summer following their placement experience, students meet twice in their Practicum Group (Practicum Group II) to debrief and reflect on their experience.

This summer, Practicum Group I (the 2013-2014 class) will meet on July 16, 17 and 18 from 2:00 – 4:30 p.m. All Practicum Group meetings will take place in 9 Lake St., Rm. 130 under the leadership of Theresa O'Keefe, Faculty Co-Director for Contextual Education.

It is suggested that students be familiar with Shared Wisdom: A Guide to Case Study Reflection in Ministry by Mahan, Troxell, and Allen (1983) in anticipation of Practicum Group I meetings.

Students receive two academic credits for this program.
ONLINE HOUSING APPLICATIONS
For complete housing information and to apply for housing, please visit: http://www.bc.edu/summerhousing. You will need your Boston College username and password to apply through Boston College's online computing system, the Agora Portal. New students will receive an e-mail with your username and password once you register for your summer course(s).

The online application will be available in late April 2013 and will close in early June. No paper applications are available. Due to space restrictions, housing assignments will be granted based on the date your application is received. Singles are not guaranteed for participants and are on a space available basis only. Please make sure you have applied by the June 2013 deadline. We cannot guarantee housing for applications received after the June 2013 deadline. If you have any questions regarding summer housing, please e-mail stmsummer@bc.edu or call the STM at (617) 552-6501.

RESIDENCE HALLS
Summer Institute students will have air-conditioned accommodations this summer in Vouté Hall. Units in Vouté Hall are apartment-style with two bedrooms and include a kitchen, a bathroom, a common room, and storage space.

Dishes, pots, pans, glasses, silverware and other utensils are NOT provided. If you wish to use these, you will need to supply them.

Single Accommodation includes a single bedroom in a shared apartment.
Double Accommodation includes a shared bedroom in a shared apartment.
Each bedroom is furnished with two single beds, two desks, two study chairs, and two dressers.
All buildings at Boston College, including the residence halls, are smoke free.

If you have a specific person with whom you would like to share your room or apartment, please indicate that on the application form. You may only request a person who is taking the same sessions as you are. Summer Housing is unable to "hold" a space for two weeks until a friend arrives. Conversely, should your roommate/apartmentmate leave earlier than you, Summer Housing will need to fill the bed space with a new student.

Unfortunately, Summer Housing is not able to house Summer Institute students before or after the session. Please plan your travel accordingly. If you must arrive to the city before your session, you may apply to stay in the Summer Guest House. To register for Summer Guest House, visit www.bc.edu/guesthouse. Due to the limited time available to prepare the halls, no one will be allowed to move into their assignment until the official move-in day.

TRAVEL INFORMATION

INTERNATIONAL STUDENT VISAS

TO: Prospective International Summer Session Students
FROM: Adrienne Nussbaum, Assistant Dean for International Student Services
DATE: Summer Session 2013

As you may know, the United States Government requires citizens of another country to have a visa in order to enter the United States. As you are a prospective student for the Boston College Summer Session, I would like to inform you of the latest INS regulations.

Students enrolled in a Boston College degree program for summer study, and registered for classes in all three sessions for credit are considered full-time. These students are required to obtain an I-20 from Boston College and enter the United States on a Student Visa. Students are not eligible for an I-20 if enrolled in a part-time program. Although visitors in B-1/B-2 status are not allowed to be enrolled in a “course of study,” casual, short-term, part-time coursework such as taking a single class is generally not considered to be a "course of study" and therefore may be permitted in the B category.

Medical Insurance to cover you during your stay can be purchased with your airline ticket through your travel agent. Of the three standard options, varying types of coverage are available. You are strongly advised to take advantage of these options when traveling abroad.

Please contact Donna DeRosa at (617) 552-8441 or e-mail her at donna.derosa.1@bc.edu or Adrienne Nussbaum in the Office of International Students and Scholars at (617) 552-8005 if you have any questions.

To reach 110 St. Thomas More Drive, turn left at the lights and then turn right into campus. 110 St. Thomas More Drive will be the first residence hall on the left before you enter the gate to campus. Please check-in at the Summer Welcome Center in 110 St. Thomas More Drive.

TAXI: There are many taxi companies in the Chestnut Hill and Boston areas. They are generally reliable but they are expensive, about $60 including tip and tolls. It is usually best to circle where on campus you will be going and to give the map to the cab driver. Following are some of the major companies in the area (see the Yellow Pages for complete listings): Boston Cab (Brighton Cab) (617) 536-2600 or (617) 536-5010; Newton Yellow Cab (617) 332-7700. Gray Van Express offers shuttle service between the airport and Boston College for approximately $27.00 each way. Call (888) 222-5229 at least 24 hours in advance of your arrival/departure to make a reservation.
MORNING CLASSES
The majority of Summer Session 2013 classes will meet in the morning. TM730 (Spiritual Formation for Ministry), TM530.03 (Contextual Education), and TM700 (Adult Believers in a Postmodern Context for the New Evangelization) will meet in the afternoon. TM853 (Post-Master’s Certificate in Spiritual Formation) will meet in the morning and in the afternoon. TM686 and TM687 in Session Two and TM620 in Session Three will meet in the evening.

STM OFFICES
The STM Offices are located on the Brighton Campus at 9 Lake Street. STM administrators and staff will be available at the mid-morning break for questions, add/drop information, and consultation and they can also be contacted by e-mail and phone and in their offices.

ACADEMIC INTEGRITY TUTORIAL
All new degree students are required to take the online academic integrity tutorial in their first summer of study. This tutorial will introduce students to the academic culture at STM and teach students best practices in terms of academic integrity. The associate dean for academic affairs will e-mail all new degree students with more information as the summer approaches.

TM530.03 CONTEXTUAL EDUCATION
Summer Students planning to fulfill their Contextual Education requirement by working in a field placement during the academic year are required to attend the Contextual Education Practicum Group meetings. See page 9 for information and details.

TM730 SPIRITUAL FORMATION
Summer-only master's degree students are required to register for Spiritual Formation for the Practice of Ministry. In this one-credit formation process, students gather in small faith sharing groups for prayer and reflection on central themes of spirituality for ministry in order to cultivate practices for integrating faith, life, and ministry. The process consists of two parts: the weekly faith sharing groups and the creation of a personal spiritual formation plan, the components of which may be fulfilled throughout the duration of one’s degree program. Groups meet once per week on Mondays from 2:00 – 4:00 p.m. under the guidance of a trained facilitator. The required Spiritual Formation Workbook is available through the online course reserves in the Theology and Ministry Library under TM730. Graded on pass/fail basis.

NOTE: Master’s degree students who live locally and/or who also take courses in the academic year are required to take TM730 in the academic year rather than the summer. Students with questions about this policy should contact Sr. Barbara Quinn, R.S.C.J., Associate Director of Spiritual Formation at (617) 552-8447.

SUMMER FACULTY CONVERSATIONS
Open, informal conversations with summer faculty will be scheduled every Wednesday from 1:30 – 3:00 p.m. at 9 Lake Street. Watch for dates and times in the weekly Outreach newsletter after you arrive.

SUMMER WEEKLY REPAST
A weekly repast is offered at 9 Lake St. on Wednesday afternoons following liturgy and prior to Faculty Conversations, offering a simple lunch around which the community can gather.
DAILY WORSHIP
Daily worship is celebrated at 12:00 p.m. Monday through Friday in the STM chapel throughout the Summer Session, although the July 19 Mary Magdala Mass will be held at St. Ignatius Church at 12:00 p.m. Eucharist is celebrated on Mondays, Wednesdays, and Fridays; Midday Prayer from the Liturgy of the Hours is sung on Tuesdays; special rituals are celebrated on Thursdays. Students are invited to participate in liturgical ministries, including lector, ministers of Holy Communion, Eucharistic Bread bakers, acolytes, and music ministers. Students interested in leading and/or offering a reflection at Tuesday and Thursday prayer services may signify their interest by checking “yes” in the appropriate box on their summer registration form.

NON-CREDIT PROGRAMS
See offerings and description on page 8.

E-MAIL ACCOUNTS
Boston College provides e-mail services for all registered students. Students are asked to activate your BC e-mail account through your Agora Portal as soon as possible in order to receive communications from STM. These e-mail services require a BC username and password which new students will receive upon registering. Contact or visit the Campus Technology Resource Center (CTRC) in the O’Neill Library for your BC e-mail questions. Returning students who need help accessing Agora Portal may contact the Boston College Help Center at (617) 552-HELP.

STUDENT IDs
All Boston College students must obtain an “EagleOne” picture ID card. The ID card allows students to access their student records, charge meals at campus dining facilities, and gain access to on-campus library and recreational facilities. To obtain an “EagleOne” card, students should go to the Student Services Office, Lyons Hall. A $30 ID charge will be billed to your student account. For more information, visit the Web site at www.bc.edu/offices/stserv/.

The office is located in Lyons Hall. For more information, visit the Web site at www.bc.edu/offices/stserv/.

PARKING
Boston College has a pay parking system. All individuals using parking at Boston College are required to pay. There is an hourly parking option for $3.00 an hour with a maximum of $25.00 per day and Summer Institute students also have the option of purchasing weekly parking permits for $30 per week for Summer 2013.

Students who would like to obtain a parking permit may choose to complete the parking permit application in advance and mail the completed application to:

Maura Colleary
Boston College School of Theology and Ministry
140 Commonwealth Avenue
Chestnut Hill, MA 02467-3800

Parking permit applications can be found at

http://www.bc.edu/content/dam/files/offices/transportation/pdf/forms/summerandtempapp.pdf

and must be received by the Monday prior to the start of each session (June 17 for Session I, July 1 for Session II, July 15 for Session III). Students who take advantage of this option will have their Student Accounts billed for the permit fee and can pick up their permit in the lobby of 9 Lake Street on the first day of the session. Students who do not mail in the application by the Monday prior to the start of the session may bring their completed application to Student Services in Lyons Hall on the first day of class to obtain a parking permit.
Students checking into Summer Institute Housing on the day prior to the start of each session will be given a pass to park until the next afternoon. Students driving to campus for class on the first day of each session will also be given a day pass for that day only. In order to continue to park on campus, you must purchase your permit at Student Services by the end of that day or pay to park on a daily basis.

More Summer Institute parking information and the application for weekly permits can be obtained at Summer Parking ([www.bc.edu/offices/transportation](http://www.bc.edu/offices/transportation)) in April 2013.
