STUDENT SURVEY

Directions

Your school has been selected to participate in a statewide study of educational technology. This survey asks questions about your use of computers and your teacher's use of computers.

Read each question carefully and respond as accurately as possible. Your teacher will collect your completed survey when you are finished.

- Use only a No. 2 pencil
- Do not use ink, ballpoint, or felt tip pens
- Make solid marks that fill the response completely
- Erase cleanly any marks you wish to change
- Make no stray marks on this form
