

Boston College Pre-Reqs

All incoming first-year students are required to complete the following four modules:

DiversityEdu

This online course promotes diversity and inclusion by teaching students skills in addressing unconscious biases and stereotypical thinking.

Mental Well-Being for Students

This online course will provide students with the skills and tools needed to navigate the stressors & emotional challenges of college life.

AlcoholEdu for College

This online course is designed to educate students about alcohol and provide opportunities for reflection on personal choices.

Sexual Assault Prevention for Undergraduates

This online course addresses the critical issues of sexual assault and relationship violence.

Courses will be available in July and are expected to be completed before August 27. Additional details will be provided this summer.

A message will be sent to students' BC email addresses in late July that will provide detailed information, including instructions for accessing the courses.
