

Boston College OGE Summer Programs: 2025 Estimated Student Costs

Students will be billed via their Agora account in early June. Any questions related to billing should be directed to Student Services.

Four costs are billed to Agora: Tuition, Program Fee, Enrollment fee, and international health insurance. These columns are shaded in gray.

Additional program costs (including airfare, meals not included in the program cost, and incidentals) are estimates. Note that vacation travel is not included. These columns are shaded in blue.

Students are responsible for coordinating and paying for their own travel to the site and budgeting for personal expenses not covered by the program fee.

Non-BC students are charged a Student ID fee of \$50.
