## Message from the Director

Dear Students,

As we head into March, I would like to offer a few updates and notes. For all students approved for fall semester abroad, please be mindful of any upcoming deadlines from your host universities and programs. Over the next few weeks and months, fall students will be asked by both OGE and their host universities to complete additional forms and documents. Increasingly, students will receive updates from both OGE and your host programs/universities. Many

of the messages will be time sensitive and contain important information, such as housing and course registration for your abroad semester. Please review and respond accordingly. If you are unsure of something, please contact your Program Manager for guidance. They are happy to help out. Additionally, Program Managers will send updates this spring regarding pre-departure orientations for your programs and countries. I also want to direct you to two pages on our website that will help with your planning:

[Pre-Departure Course approvals](#)

For spring 2024 semester students, more information regarding your semester abroad will be forthcoming. Similar to the above information, please pay attention to the messages you will receive and feel free to reach out to your Program Manager with any questions.

At this time, we like to bring [scholarship and grant opportunities](#) to the attention of Fall 2023 and also Spring 2024 students. This is a good time to review eligibility requirements and make use of

resources available to you through the OGE.

There are limited spots available on select OGE Summer 2023 programs. Inquire directly with [summerabroad@bc.edu](mailto:summerabroad@bc.edu) if you are looking for a last-minute opportunity to study abroad this summer. Most summer funding deadlines have passed. If you have questions about finding a summer program, please contact the [Summer Program Manager](#).

Regards,

Larry Pickener  
Director, Office of Global Education
