

## Message from the Director

Dear Students,

As we approach March, I want to share a few updates and reminders. For all students approved for the fall semester abroad, please be mindful of the upcoming deadlines set by your host universities and programs. In the coming weeks and months, fall students will be requested by both OGE and their host universities to complete additional forms and documents. Students will frequently receive messages from OGE and their host programs/universities. Many of these messages will be time-sensitive and contain critical information, such as housing and course registration for your semester abroad. Please review and respond accordingly. If you are uncertain, do not hesitate to contact your Study Abroad Advisor; they are eager to help. In addition, Study Abroad Advisors will provide updates this spring regarding pre-departure orientations for your programs and countries. I also want to direct you to two pages on our website that will help with your planning:

[Pre-Departure  
Course approvals](#)

For spring 2026 students, more information about your semester abroad will be forthcoming. Like the above information, please pay attention to the messages you will receive, and feel free to contact your Study Abroad Advisor with any questions.

At this time, we want to bring [scholarship and grant opportunities](#) to the attention of Fall 2025 and Spring 2026 students. This is a good time to review eligibility requirements and use resources available through the OGE.

There are limited spots available on [select OGE Summer 2025 programs](#). Inquire directly with [summerabroad@bc.edu](mailto:summerabroad@bc.edu) if you want a last-minute opportunity to study abroad this summer. Most summer funding deadlines have passed. If you have questions about finding a summer program, contact [ogeawards@bc.edu](mailto:ogeawards@bc.edu).

Director, Office of Global Education

Welcome to our Sophomore ML Fellows Class! We cannot wait to see what you do in your service abroad and back on campus. Over the past weekend these sophomores took part in an overnight retreat reflecting on who they are and how they see themselves contributing to the community and beyond.
