In pursuit of the College’s Mission Statement, Student Development has two primary objectives: to strengthen partnerships throughout MassArt and the Colleges of the Fenway (COF); and to support and complement academic pursuits through the development of each student in regards to respecting diversity, cultivating creativity, promoting individuality, honoring integrity and maintaining safety.

Our charge is twofold: to nurture the development of students as creative individuals through support services which meet their educational, personal and social needs and to engage them in a safe, respectful, collegial and diverse community of artists, designers and art educators. Our inspiration and challenge is to address issues that affect a diverse student body within a multicultural city, striving for a global education.

Our efforts are driven by respect for individuals, the MassArt community and the community beyond the College. We strive to create reciprocal relationships which help empower our students to recognize and realize their potential as artists, leaders and citizens.
