**About Boston College and the Office of Residential Life**

Boston College is a Division One university with approximately 9,100 undergraduate students (7,600 residential), located on 118 acres in Chestnut Hill, Massachusetts, a beautiful suburb seven miles from the center of Boston. Founded by the Society of Jesus in 1863, Boston College has strong Roman Catholic educational values, which are used as a foundation for our work with and care for students.

The Office of Residential Life strives to create a safe and welcoming environment for all students by engaging our residents on topics related to diversity and inclusion, faith and spirituality, responsible social activities, and academics. Under the leadership of the Associate Vice President, Director of Residential Education, and Director of Operations, the department consists of 40 professional staff members, 23 graduate assistants, 192 RAs, and additional student employees.

Members of the Boston College Residential Life Staff serve a University which embodies the Jesuit, Catholic tradition and seeks to promote the values that this tradition represents. As staff members, we are charged with furthering those goals by fulfilling the terms of this Agreement and by maintaining at all times exemplary standards of personal and professional conduct in conformity with those values. By personal example, Resident Assistants are student leaders who strive to create safe and inclusive environments for all students by living, reflecting, and expressing the values of a Jesuit and Catholic institution as defined by the teachings of the Roman Catholic Church, with a special commitment to cultural diversity and social justice.

**Position Overview**

The primary objective for Off-Campus Student Living is to manage the University’s off-campus housing program that serves the needs of students, faculty, staff, and alumni interested in finding housing off-campus. We strive to help students make a successful transition and integration from campus to the local community. As an integral member of the Housing Operations team in the Office of Residential Life, the Graduate Assistant will support student learning and community engagement, and provide resources and supportive services for students living off-campus. This position offers a breadth of experience including student advising, student outreach, program planning/event management, and community relations experience.
