

Property Insurance

Boston College does not insure student property. Further BC cannot assume liability for student possessions. To that end, students should ensure their property on Campus is covered using a plan specifically designed for Student Personal Property theft or damage. Boston College has located one such company, Arthur J. Gallagher & Co., that is listed on the Residential Life website regarding Student Personal Property insurance.

Accidental damage and water damage is included so if flooding occurs as a result of sprinklers going off, pipes freezing, or a water bottle spills on a laptop, all damage is covered. Below are plan highlights of the coverage which includes a link to Personal Property on Gallagher website where students can enroll and obtain additional information: www.gallagherstudent.com/property. You can also view the brochure at this [link](#). To protect you and your property, Gallagher offers Personal Property Protection to students, faculty & staff.

Plan Highlights:

- Covers loss due to accidental damage, theft, fire, water or vandalism
- Covers computers, cell phones, books, clothes, and more
- Worldwide protection, including when studying abroad or on vacation
- Replacement Cost Coverage
- Full 12 month policy period
- Free Identity Theft Coverage
- Low rates and \$25 deductible option when enrolled online
