Boston College  
Office of Residential Life  
Spring 2020 Residency Agreement Amendment

I. Room Assignment  
A. This Amendment modifies the terms of the standard Boston College Residency Agreement. The student’s Residency Agreement will remain in full effect, as amended by this Amendment.

II. Agreement Period  
A. This Amendment between the below named student and Boston College will be in effect from March 17, 2020 until the student moves out during or after the Spring semester or Tuesday, May 12, 2020 (whichever comes first).

III. Rights reserved to the University  
A. The University reserves the right to assign and to reassign rooms when in its sole discretion such action is deemed necessary. For reasons of health, safety or general welfare of the University community, the University may, in its sole discretion, reassign rooms or suspend or permanently dismiss students from Residential Life on-campus housing. In addition, in cases involving violation of this Residency Agreement and the Conditions for Residency, Boston College reserves the right to take appropriate administrative and/or University conduct action, which may result in the cancellation of the Student’s Residency Agreement and the termination of residency.

IV. Rights and Responsibilities  
A. The Conditions for Residency are based on the principles of self and mutual respect whereby the rights and responsibilities of the students and the University are defined. Violations of the Conditions for Residency, any policies set forth in the Student Guide, or the Amended Alcohol and Drug Policy and Guest Policy described below may result in the termination of the Residency Agreement by the University. The Conditions for Residency may be viewed by clicking here. In addition to the terms above, I understand that during this period:

- Health and Safety checks in student rooms may be conducted unannounced at any time during the term of this Amendment.
- Students may submit work orders as needed through Agora Portal (under “Facilities Work Ticket”) and Facilities staff will enter rooms as needed.
- Residents must comply with Quiet Hours (10pm-7am every day of the week).
- Residents must be cooperative with Resident Assistants and all other BC staff.
- Residents may receive charges on my student account for room damages, excessive trash, lost keys, or other such items upon check-out. If I have any questions about this I will ask my Resident Director PRIOR to checking out.
Any violations of the fire safety policy may result in removal from housing, including but not limited to covered smoke detectors, red tab removal, and candles in the residence halls.

V. Amended Alcohol and Drug Policy
   A. During the time period specified above, residential students must also comply with these additional requirements:
      ■ NO alcohol is permitted within residence halls, regardless of age.
      ■ Students cannot be in the presence of or under the influence of alcohol or drugs while on-campus, regardless of age; this policy includes being under the influence of marijuana on- or off-campus.
      ■ This modified policy applies to all guests.
      ■ Vaping is not permitted within the residence halls or on the BC campus.

VI. Amended Guest Policy
   A. In addition to the policies on guests in both the Conditions for Residency (see page 7) and the Student Code of Conduct (see policy 4.2.4 on page 6), during the time period specified above, residential students must also comply with this additional requirement in regard to guests:
      ■ Students may not host any non-Boston College guests. Students may only host other currently-enrolled Boston College students as their guests. Students may have up to 2 Boston College guests per resident.
      ■ No overnight guests are permitted.
      ■ Residents are not permitted to have any guests under the age of 18 years old on-campus unless they are accompanied by their parent/guardian in accordance with BC's Protection of Minors Policy.

VII. Authorization
   A. By signing below, I hereby certify that I have read and understood all terms and conditions set forth in this Amendment, the Conditions for Residency, and the Code of Conduct, and that I accept and agree to abide by the terms. I understand that ANY violation of this Amendment or these policies may result in conduct action, including, without limitation, possible termination of current housing and/or future academic year housing.
