# BOSTON COLLEGE

## RESOURCE GUIDE 2020

## Lesbian, Gay, Bisexual, Trans, Queer & Questioning Students

## Statement of Purpose

Boston College, as a Catholic and Jesuit university, has a responsibility to promote the pastoral care of all members of the university community and is committed to the intellectual, social, and spiritual development of all our students. The university seeks to foster a campus culture that welcomes diversity, embraces inclusivity, promotes dialogue, and creates a safe and supportive environment for all.

This brochure lists resources for Boston College students who may be questioning or have needs pertaining to their sexual or gender identity, have general questions about the LGBTQ+ community, or just need someone with whom to talk. While an ally is listed for each office, by no means is that individual the only person in that office who can be a resource.

The variety of these resources reflects the commitment of Boston College to providing a safe, caring, and supportive environment for the healthy development of all of our students. Please feel free to contact us with any questions, concerns, issues, or ideas—even if you just want someone to talk to!
