RE: **2021 Open Enrollment – MetLife Legal Plan (formerly called MetLaw)**

MetLife Legal is a pre-paid group legal plan. **Open Enrollment** for 2021 is available now through Tuesday, December 8, 2020. **Note that current participants must re-enroll to continue coverage in 2021.**

Through this **MetLife Legal** plan, participating employees have access to qualified attorneys when assistance is needed for purchasing a home or property, drafting a will, dealing with elder care or debt issues, and for many other matters. Once enrolled in **MetLife Legal** you may use the plan for covered services as often as you need during the year using one of the Plan's attorneys, or even using a non-Plan attorney (but additional fees could apply).

The cost of the coverage in 2021 is **\$19.75 a month**, a group rate paid through payroll deductions (weekly-paid employees see below*). You **must enroll in the plan by December 8th** – with coverage **effective January 1, 2021**. There is a one-year commitment for participation.

For more information about the **MetLife Legal** plan – particularly the many legal matters it covers – go to www.bc.edu/benefits and click on the 'Open Enrollment' box. Please review the materials.

To enroll go to <https://getmetbenefits.com/BostonCollege/Enroll> or you can go to www.bc.edu/benefits and click on the 'Open Enrollment' box. When you enroll you'll need to provide your name, address, and Social Security number. [Note that your SS# will only be used as an internal identifier; it will not appear on any report nor be used in any interface between **MetLife Legal** and Boston College.] For questions you may call **MetLife Legal** at 1-800-821-6400 or email benefits@bc.edu.

***[Important: For employees on the weekly payroll, the full \$19.75 will be deducted from the first week's check each month, because MetLife cannot accept partial amounts - e.g., in case a deduction were to be missed during a month.]**
