Statement to Applicant and Employer about this Federal loan benefit: For purposes of this loan program the U.S. Department of Education allows those that teach or serve as teaching professionals to defer loan payments and receive cancellation benefits (loan forgiveness). Applicants become cancellation eligible for each completed year of full-time teaching in a school designated by the U.S. Department of Education as serving students from “low income” families.

Instructions to Applicant: The Applicant always completes sections A, B, and C. Section D is only completed once the cancellation benefit is earned upon completion of a full academic year postponement of payment period. Once you have completed your sections, deliver the form to your Principal or a verification specialist in your Human Resources office for completion of sections E and F.

Instructions to Employer: The Employer completes sections E and F of this form. Your employee (the applicant) is hereby applying for a Federal Loan benefit based on the fact that he/she is a full-time teaching professional as defined in the statement above.
