

# Student Health Insurance Plan

## Boston College – International Students

**Did You Know?** Student Health Insurance Plans are generally less expensive and have better coverage. Most plans are Preferred Provider Networks (PPOs), which offer easy access to providers near campus or anywhere you may live or travel.

### Fast Facts | 2023 - 2024

Prescription Drug	\$ 15	Not covered
	\$ 30	Not covered
	\$ 50	Not covered

#### To waive, your insurance must meet the criteria below:

To ensure international students are covered by a plan that provides coverage which meets or exceeds the Student Health Insurance Plan, international students are not eligible to waive BC's Student Health Insurance Plan. If you are insured through (1) your own or a parent/guardian/spouse's health insurance plan offered through a U.S. employer or (2) a government sponsored program, (for example Government of Kuwait/UAE or Government of Saudi Arabia), you may be eligible for a waiver. MA Medicaid Plans: Children's Medical Security Program, MassHealth Limited, and Health Safety Net do not qualify for a waiver. International insurance plans, socialized or standard medical policies (including Canadian policies), travel insurance plans, short-term medical plans, or plans not fully compliant with the Affordable Care Act are not acceptable and will not be considered. Your insurance must be effective on or before August 7, 2023 (for fall and annual waivers) or January 12, 2024 (for spring waivers) to qualify for a waiver. For example, a policy beginning on September 1, 2023 would not qualify for a fall or annual waiver.

*This insurance may be used at your University Health Center.*
