FINANCE MINOR

• 4 Core Courses
• 1 “Bucket Elective” from a specified list
• 1 “Other Elective” from any MFIN course

*Note that MCAS students may take a max of 24 credits in CSOM.*
# CORE COURSES

<td>Fixed Income Analysis</td>
<td>Investments</td>
</tr>
<tr>
<td>MFIN2270</td>
<td>Data Analytics in Finance</td>
<td>Basic Finance</td>
</tr>
</tbody>
</table>

*This elective must be taken at BC in CSOM.*
OTHER ELECTIVE

At least one elective from any MFIN course offered outside of the required courses or another from the bucket list.

- All MFIN66XX electives require senior status and permission from the Department.
- Seniors should visit with Professor Elliott Smith in Fulton 330B to seek approval, giving consideration to the student's successful completion of the required prerequisites.

Please note that not all courses are available each semester. Visit the Course Information and Schedule page in Agora for a current list of offerings.
How do I declare the minor?

• [bc.edu/finance](http://bc.edu/finance)

“academic & study abroad”

“minor for non-Carroll students”

“declare the minor” will take you to a google form
REGISTRATION

• All core courses (Basic, Corporate and Investments) have a handful of seats open for non-CSOM students to register on their own.

• Once the non-CSOM seats fill, you will see a “school restriction” in the comment column.

• Bucket electives all currently show a “major restriction.”

• The restrictions do not mean you cannot register for the class – it means that you cannot register on your own.

  – The restrictions help the department to maintain control of who registers for particular classes, making sure that students have completed any pre-requisites.
  
  – UIS does not have the capability of restricting for a minor.
What should I do if a particular course shows a restriction or is closed?

- Once your pick time passes, you will have to contact (findept@bc.edu) or stop by the department in Fulton 330 for an override or to be placed on a waitlist.

- We remind all students to register for any open section of a class at their pick time if the class is required. We cannot guarantee a particular section/professor.

- Department administrators in Fulton 330 manage the official waitlist for all finance classes once they have closed.

**Finance professors do not keep their own waitlists**
STUDY ABROAD

1. Meet with an advisor in the Office of International Programs
2. Then visit with **Prof. Elliott Smith (Fulton 330B)** with all supporting documentation **(course description, detailed syllabus, etc.)** for elective course approval **PRIOR TO GOING ABROAD.**

You must have completed **Financial Accounting** and **Basic Finance at BC** before going abroad.

*No approvals will be granted after the course has been completed.*

**IMPORTANT THINGS TO NOTE:**

- Any approved elective abroad will count for the “other elective” only – not for the “bucket elective.” Bucket electives must be taken at BC.
- Clarify/confirm with OIP that the course(s) you will be taking abroad = 3 BC credit hours.
How do I get approval if my university doesn’t let students choose classes until I arrive abroad?

- You must email the course syllabus to Prof. Elliott Smith (elliott.smith@bc.edu), before enrolling in the course, for approval.

- Prof. Smith will send a confirmation email to you approving the course for credit if deemed a suitable equivalent to an undergraduate finance elective course taught at BC.
