First Year Writing
Literature Core
Arts
History (Two courses—must be part 1 and 2)
Mathematics
Natural Science (Two courses)
Philosophy (Two courses—part 1 and 2 of the same sequence)
Social Science (Two courses—Microeconomics and Macroeconomics for class of ‘22. Principles of Economics and one other Social Science core for class of ‘23 and following years)
Theology (Two courses—see department website for details)
Cultural Diversity

Below is a list of the required Carroll School core classes. Please note that we have offered a recommended class year during which each course should be taken. This should be used as a guide as we realize individual circumstances require there to be flexibility.

**FRESHMAN YEAR**
PRTO1000 Portico (fall semester only) *
ISYS1021 Digital Technologies: Strategy & Use
BZAN1037 1-credit Excel for Business Analytics (for class of ‘25 and following)
BZAN1135 Business Statistics (with BZAN1136 lab) *(If a student in the class of 2024 and following years has APed out of BZAN1135, they must take the BZAN1137 1-credit R-lab)*
BSLW1021 Introduction to Law

**SOPHOMORE YEAR**
ECON1131 & ECON1131 Principles of Microeconomics & Macroeconomics (for class of ‘22) /ECON1101 Principles of Economics (for class of ‘23 and following years)
ACCT1021 Financial Accounting
BZAN2235 Modeling for Business Analytics (for class of ‘22 and ‘23—not ‘24)
BZAN2021 Coding for Business (for class of ‘24 and following years)

**JUNIOR YEAR**
MGMT1021 Organizational Behavior
BZAN1021 Operations Management
MFN1021 Fundamentals of Finance
MKTG1021 Marketing Principles

**SENIOR YEAR**
MGMT3099 Strategic Management
4-6 Concentration classes
12 credits of electives from the Morrissey College of Arts and Sciences

**FAST FACTS**
- Students must complete 120 credits to earn their bachelor’s degree. A typical course load is 15 credits each semester through senior year.
- Requirements are split among the University core, the Carroll School core, selected concentration(s), and any remaining electives.

**DEGREE REQUIREMENTS**
- Students must be taking at least 12 credits in a semester to be considered a full-time student (which affects housing, financial aid, etc.)
- If a student wants to “overload,” they must have at least a cumulative GPA of 3.0 and can add the 6th class during drop/add week. There is no extra cost. Freshmen can overload in their second semester with permission from the Senior Associate Dean.

**COURSE LOAD**
To overdose into a closed course, a student should visit the sponsoring department to inquire about an override.

**OVERRIDE**
If a student needs to make up a deficiency as a result of failing or withdrawing from a class, they can take classes during the summer at Boston College or a 4-year accredited college or university. For more details, visit the Senior Associate Dean’s Office.

**PASS/FAIL**
Sophomores, juniors, and seniors may enroll in a non-major, non-minor, or non-Core course on a pass/fail basis during drop/add week. Carroll School and Woods School classes cannot be pass/fail. Only one pass/fail class is allowed per semester (six maximum.)

**AP CREDITS**
- If a student receives AP credit for any classes, they have fulfilled that requirement. AP credit cannot be used towards the total number of credits required for graduation, unless a student has 24 or more AP credits and could be eligible for Advanced Standing. (Class of ‘24 and following years need 30 AP credits.)
CONCENTRATIONS

Students must select one concentration and can have no more than two concentrations. Below is a list of Carroll School concentrations and the number of courses required to fulfill the concentration. For details on specific course requirements, students should consult with the individual department.

Accounting (6)
Accounting for Finance & Consulting (4)
Accounting Information Systems (6)
Business Analytics* (5)
Economics (4) *(this concentration ends with the class of 2024)*
Entrepreneurship* (4)
Finance (4)
General Management (4)
Information Systems (4)
Management & Leadership (4)
Managing for Social Impact & the Public Good* (4) *(Students must declare this by junior fall—see website for details. This concentration ends with the class of 2024)*
Marketing (4)
Operations Management (4)

*Co-concentration: must be paired with another concentration

Note: Students can double count only one class towards two concentrations.

CAN I PURSUE A MAJOR OR MINOR OUTSIDE OF THE CARROLL SCHOOL?

A student pursuing a minor in the Morrissey College of Arts and Sciences or the Lynch School of Education may elect to eliminate one of the Carroll School core management courses.

- Students who complete the pre-medical program requirements (without a major or minor in MCAS) are eligible for this incentive as well.

A student pursuing a major in the Morrissey College of Arts and Sciences may elect to eliminate two of the Carroll School core management courses.

Selection of the eliminated courses must be done with advising from the Senior Associate Dean’s office. No one may eliminate Portico, Financial Accounting, Statistics, Coding for Business, Excel for Business Analytics, or Economics.

Note: Students are not eligible to combine any of the incentives above (i.e. a student with two minors may not eliminate two courses.)

STUDYING ABROAD

Students should begin to think about studying abroad towards the end of their first year; deadlines are in January of sophomore year. Students who are interested should visit the Office of International Programs at the Hovey House in fall of sophomore year. www.bc.edu/international, 617-552-3827

TUTORING & ACADEMIC SUPPORT

The Connors Family Learning Center provides free tutoring to all students in over 60 courses of study. Writing assistance is also available in the Connors Family Learning Center. The Online Writing Lab (OWL) allows students to submit drafts of writing assignments for constructive feedback. The Connors Family Learning Center also offers support services to students with learning disabilities such as screenings and consultations about accommodations. O’Neill Library, 617-552-0611
