Advising this Week

Advising is available for a walk-in appointment.

You can contact your advisor to schedule an appointment or to discuss short-term and long-term academic plans. If you are planning to make changes to your course load, it is important to consult with your advisor to ensure that you are on track for graduation. Your advisor can discuss your academic plan and provide guidance on selecting courses that align with your degree requirements.

Careers this Week

CAREERS THIS WEEK

Now accepting applications for a data analyst role in a well-regarded firm.

A well-regarded firm is currently seeking a data analyst for an upcoming project. Applicants will have a Bachelor's degree in a related field and relevant experience. Responsibilities will include data analysis, report writing, and project management. This is a full-time position with benefits.

Candidate Qualifications:
- Bachelor's degree in a related field
- Relevant experience

Application Process:
Interested candidates should submit their resume and a cover letter highlighting their qualifications and experience. Interviews will be conducted on a rolling basis.
