EVENTS THIS WEEK

Monday, February 24
Eye on the Future Networking Night
4–6:30 PM in Nursing Function Room
Join PAs from various specialties and disciplines in the school as we share our experiences and professional development within and outside the healthcare environment today in your baccalaureate and graduate programs. This is an opportunity to network and make meaningful connections.

MakeBAC Workshop
A session on how to write a professional LinkedIn profile. Strategies and tips on creating a strong profile will be shared. This workshop looks at resume-like profile formats.

Tuesday, February 25
Spring Chunk Carbapenems: Nicholas Burns, Professor, Harvard University
12:00–1:00 PM in Carney 452
In his weekly lecture series, Professor Burns will discuss carbapenem-resistant Enterobacteriaceae (CRE). Join in to learn how these bacteria are becoming increasingly difficult to treat. Register in advance to join this enlightening talk.

Wednesday, February 26
EY Service Lines Event
12:00–1:30 PM in Fuller Library Room
Come learn about EY’s Assurance, Tax and Risk advisory service lines. Sign-Up in Eaglelink!

Wednesday, February 26
THIS WEEK IN BOSTON COLLEGE

Friday, February 28
SportsCon
12:00–1:00 PM in Carney 452
Students must apply for the SportsCon internship by March 2. Apply for the SportsCon Internship!

Thursday, March 2
MakeBC Woodworking Workshop
7:00–9:00 PM in Carney 105A
Students will be constructing small wooden bridges approx 45 cm in length using tools and techniques commonly used in woodworking. Registration is required.

LEADERSHIP THIS WEEK

Monday, March 2 – Friday, March 6

Spring Break

Tuesday, March 10

With the spring break being canceled due to COVID-19, offices and departments across campus will be working to make up time lost out here.

ADVISORY ISSUE THIS WEEK

The PAs are actively working to improve our systems to be more efficient and effective. We have made some changes to improve the process of handling incoming calls and requests. We are committed to providing the best possible service to our clients.

Thank you for your understanding and support.

For more information and updates, please visit the PA website. Contact us at: 617-552-3456 or email: pa@bc.edu.

The PA's are proud to serve the BC community and look forward to continued success.
