Get a jump start on your career planning!

Make sure to register for Career Accelerator with your advisor to talk about fall classes!

If you have not yet done so, start watching the tutorials on how to use EagleApps on your phone.

WIN Career Development with Deloitte

WIN E-board Applications are due! - Looking to get more involved in WIN? Want to join! We've extended our deadline to WEDNESDAY, MAY 5TH but we are inviting applications until the end of the day on May 5th. Applications are open to all WILDR students, and we are looking for students to help us plan and organize events for the 2021-22 school year. If you are interested in getting involved in WIN, please apply on our website. Please reach out to us at womeninbusinessbc@gmail.com. We are so excited to read all of the wonderful responses we've received so far! Your application should include information about responsibilities, roles, or anything further, please reach out to us at womeninbusinessbc@gmail.com. We are so excited to read all of the wonderful responses we've received so far! Your application should include information about responsibilities, roles, or anything further, please reach out to us at womeninbusinessbc@gmail.com.

The Boston College Career Center is here to help you explore your career options and more. When you register, look for UGMG2222.

9 weeks. You will take this course along with your regular course load. The best time to register is before the end of Spring semester. First year students should register to take this course early. It is mandatory to meet with a career advisor to talk about fall classes.

WIN 2021/2022 E-board Executive members.

BSGCF is a CSOM-affiliated research center providing information on human resources topics (such as flexibility, diversity, work-life balance, wellbeing, and workplace culture) to corporate professionals. Job responsibilities include conducting interviews on a rolling basis so it's in your favor to apply as soon as possible! We are looking for students to help with research and development. Candidates should have strong computer, communication, and research skills. A general interest in human resources topics would be helpful. The position will be 15-20 hours per week during the summer with preference given to an individual pursuing careers in data analytics. Applications are due MONDAY, MAY 3 AT 5PM. You will be informed if you have been invited to interview and to participate as part of the executive board if fit. There is a possibility of a second-round interview. If you have any questions or feedback regarding responsibilities, roles, or anything further, please reach out to us at kilduffj@bc.edu. Our team works exclusively with students in the Carroll School, Business, Technology, and Pre-professional Programs.
