The Citi M&A Case Competition is an annual competition organized by the Student Business Consortium (SBC) of Boston College in partnership with Citi Bank. The competition is open to undergraduates from all majors. Each year, it invites teams of 3-5 students to create an affordable housing project that incorporates a financial model and a narrative proposal that encourages teams to create economic and social value in their proposed development. This virtual case competition which took place at BC before Thanksgiving break. Each team presented a pitchbook-building skills through two months of student-led weekly class sessions, focusing on teamwork, financial analysis, valuation, and modeling. This is the first year the final round has been expanded to include a regional competition hosted by Citi Bank in NYC.

Last week on Friday (12/2) three teams were invited to Citi's New York headquarters to present their acquisition proposals of Guess? Inc. by VF Corporation, and were placed in 1st Place: Charles Loeb, Ryan Wong, Saurabh Khanna, and 2nd Place: Owen McCormack, John Caputo, Erik Von Hamm, Jason Choi, Flavia Souplet. The competition which took place at BC before Thanksgiving break. Each team presented an acquisition proposal of Guess? Inc. by VF Corporation, and were placed in 3rd Place: Ajay Bhalodia, Franklin Wood, Davis Brothers, Augustus Thomas, Jeremy Brantley.
