**ADVISING THIS WEEK**

**Academic advising drop-in hours**

*Every Monday-Thursday, 10:00am-12:00pm, 1:00-3:00pm*

*Fulton 315*

**Who is my academic advisor?**

Students in the class of 2024 and 2025 are assigned to a faculty advisor and a staff advisor. The name of your **staff advisor** can be found here and your faculty advisor name is listed on EagleApps.

**Use Navigate to make an appointment with your staff advisor!**

**Peer Advising Drop-in Hours in Fulton 315**

The Peer Advisors are seniors in the Carroll School who can do both academic and career advising. Stop by to talk to them about your schedule, declaring a concentration, or mapping out your remaining classes. They have already been through it themselves so have the best advice!

**Get a leg up on your professional development. Register for BCOM1021 (Section 02 is juniors only!)**

**BCOM1021: Essential Business Communication (async/1-credit/pass-fail)**
Distinguish yourself in your internship and on the job with sharp business communication skills. Jump on this course, and we'll help you prepare for what's ahead. The course is asynchronous, 5-weeks, one credit, and pass-fail. Register on EagleApps! Watch the video here.

The "Fulton Foyer" Study Space has had some upgrades!
In case you missed it: Last spring, we opened a new study space in Fulton 315. It is open Monday-Friday 9am-5pm and starting 9/5, it will also be open Monday-Wednesday 5-8pm. There are snacks, games, and spaces for getting some work done between classes!

Get academic credit for an internship this semester
Students may receive a one-credit practicum for paid or unpaid work in the business world. You will need to complete internship paperwork with your supervisor and submit it to the Senior Associate Dean’s Office. Students will need to work a minimum of 10 hours per week in order to get credit for an internship. Fill out and submit this form by the deadline, September 6th.

Drop/Add FAQs

How do I overload? If you have a 3.0 GPA or higher, you can register for a 6th 3-credit class on EagleApps.

Can I take a course pass/fail? Sophomores, juniors, and seniors may elect to take a course as pass/fail. Only electives can be taken as pass/fail, and students can't take more than one course (three or more credits) as pass/fail each semester. Students can take up to six pass/fail courses of three or more credits toward a degree. CSOM classes cannot be taken pass/fail. The deadline to declare p/f is November 1.

How do I get an override into a class? Students will need to contact the department administrator to seek an override or get onto a waitlist.

CAREERS THIS WEEK

Highlighted Career Opportunities
Check out this list of interesting opportunities that may not be available on Handshake.

Benefits of the Involvement Fair
Recruiters want to see that you are involved outside of your classes, especially if you’re
more than a “general member” in a club. Now is the time to find leadership roles in the clubs that matter the most to you. Whether you’re into sports, arts, or anything in between, extracurriculars beef up your resume with teamwork, leadership, and other interpersonal skills.

**Keep track of your recruiting efforts with Huntr**
No more messy job search spreadsheets. Huntr keeps track of every detail about your job opportunities regardless of where you found them. Track contacts, notes, dates, tasks, documents, job descriptions, salaries, locations, company data and more.

**Need career help? Sign Up for a CSOM Career Advising Appointment**
Sometimes it is confusing figuring out where to get career help. Remember: The CSOM Career Advising Team located in Fulton 315 is where all CSOM undergraduates should seek individual help for all Career-related questions. Stop by our daily drop-in hours from 1-4pm (1st come, 1st serve) or sign up for an individual coaching session via bc.edu/navigate. When the weather is nice, we’ll be hosting “fresh air advising” during drop-in hours outside of the main entrance of Fulton Hall. And for the night owls, we’ll also have appointments available after 5pm Monday-Thursday. If you have trouble using Navigate or can’t find a time that works for you just email a career advisor to set up a time.

**Mark 9/15 on your calendar: Finance, Consulting, Marketing, & Business Career Fair**
The Boston College Career Center will be hosting an in-person Career Fair from 10am-1pm at the Margot Connell Recreation Center. A variety of employers specifically focused on roles within business fields below will be represented: Business Analytics, Commercial Banking, Sales/Business Development, Leadership/Rotational Programs, Marketing, Real Estate, and more!

**SAAS is looking for finance tutors!**
If you are interested in working for Student-Athlete Academic Services as a tutor for Fundamentals of Finance, Corporate Finance, and Investments, read the job description and fill out the application here.

**Interested in Marketing? Join BC AMA**
The Boston College Chapter of the American Marketing Association (AMA.org) is open to all CSOM students, and/or all students who follow a “marketing minor” course of study. Annual membership fee for the BCAMA Chapter has dropped to $29.00, and CSOM will subsidize $15 of that fee with student reimbursement upon confirmed registration for Fall ’23. Will A’Hearn (Ahearnw@bc.edu) is Chapter President and Prof John Fisher (fisherjs@bc.edu) serves as the faculty liaison to the group. A full schedule of monthly events; including case competitions, company visits, distinguished speakers and more, begins in mid-September and will be presented at the chapter’s first meeting.
Interested students and future marketing professionals should contact Will to register for this year and/or to gain more information.

**Apply to the BU Sustainability Case Competition - win $50K**
The Questrom $50K Sustainability Case Competition will ask interdisciplinary / cross-program student teams, to grapple with and develop solutions for real-life sustainability challenges. The overarching theme of the case competition is on Sustainability, with the following objectives:
a) Seek to solve a current real-world problem

b) Develop solutions that will be commercially and practically viable to build and implement, and ultimately generate a profit and/or support further sustainability initiatives (i.e., analyze and recommend direction amongst multiple strategic choices a company is considering in real-time).
