- Application for Fall Semester TechTrek!
  TechTrek is an award-winning, 3-credit course that combines classroom learning with online and in-person opportunities in the Boston area. Student teams pitch ideas to local startups and prepare for the next steps. Classes will be held Mondays from 3-4 pm. Visit our Career Advising Google Site for more information. Apply for Fall Semester TechTrek!

- Interested in investing? Interested in hearing company pitches? Interested in Venture Capital? Come for a virtual information session for students to learn how to get involved, what venture capital is, and what the application process looks like. Interested in investing?
