The Boston College Center for Corporate Citizenship is seeking a Research Assistant for the 2022-2023 school year. The Research Assistant provides support for special projects. This entails responding to questions from companies by writing and producing short papers based in research. The Research Assistant may also support environmental, social, and governance (ESG)-related research requests and other initiatives ongoing within the Center.

**Who is the position for?**

This is a paid internship position. Interested candidates should have a strong background in research and writing, and excellent communication and analytical skills. Familiarity with Panopto, the Center’s online video platform, would be beneficial.

**Responsibilities:***

- Respond to company questions by writing and producing short papers based in research.
- Support environmental, social, and governance (ESG)-related research requests and other initiatives ongoing within the Center.

**Position Information:***

- **Location:** Boston, Massachusetts
- **Duration:** 2022-2023 School Year
- **Compensation:** Paid internship
- **Application Deadline:** September 15, 2022

**Application Process:***

- Submit a cover letter, resume, and writing sample to OutreachCoordinator@bc.edu by September 15, 2022.
- Interviews will be conducted on a rolling basis until the position is filled.

**More Information:***
