Questions in a casual setting. All are welcome!

Multiple Deloitte Consultants to share their experiences, network, and answer questions in a casual setting. All are welcome!

WIN is planning some really exciting events for the Spring semester and we want to make sure these events work best for you!

WIN Events Schedule Survey

We would like to conduct an anonymous survey to gather feedback on the WIN Events Schedule. Please help us make the events work best for you!

WIN is a student-run organization that provides networking opportunities and connects students to jobs, internships, and summer opportunities. We host a variety of events throughout the semester, including speaker events, networking events, and workshops.
