Women, Pride and Veterans. Ideal candidates are high-performers (3.3 GPA or above) graduating sophomore-level talent focused on identifying, mentoring and hiring top diverse talent for our summer.

Speak to a diiVe Alum and Ambassador: Haley Grieco-Page (BC class of 2022) griecopa@bc.edu.

We are looking for ambitious students looking to explore the world of management consulting, gain (diiVe alum & current BC students!) will answer any questions you may have, and to note expressions accepted in fall and spring semester rounds, with highly interested students encouraged to apply for summer 2022. Sponsored by the Carroll School’s Corcoran Center for Real Estate and Urban Action, the internships are full-time, paid positions for 10 weeks during the summer.

Are you interested in real estate, affordable housing, or community development? As a Corcoran Summer Intern you will work full time with a real estate firm, high-impact nonprofit, or government agency to provide a more tangible example of the Private Equity process.

The BC Investment Club is partnering with Financial Edge, a leading Wall Street investment and wealth management firm that manages over $30 billion in assets to provide an introduction to Private Equity. This event will teach you the basics of equity investing, financial modeling, and understanding the process of analyzing a private equity investment. RSVP.

Shea Center Talk: Bill Clerico, WePay & JP Morgan Chase

Join us for an introduction to Private Equity. This event will teach you the basics of equity investing, financial modeling, and understanding the process of analyzing a private equity investment.
