In addition to a strong academic performance, nominees should have demonstrated engagement on campus, particularly with the AHANA community, in the areas of leadership, service, and community involvement. Every year the award honors a senior who throughout his/her undergraduate experience has made significant contributions to the AHANA and Intercultural Center. The Dr. Donald Brown Award was established in honor of the former director of the Office of AHANA Student Programs, now the Thea Bowman AHANA and Intercultural Center.

Students must be in the class of 2021 or 2022 at Boston College. Students will submit a nomination letter of the student by December 6th. Teams will receive the case before winter break.

The deadline to sign up is December 6th and teams will receive the case before winter break.
