Tyler Shultz, Theranos Whistleblower | CEO & Founder, Flux Biosciences, Inc. | Fraud is Not a Trade Secret
5:30 pm in Robsham Theater

Tyler Shultz is an entrepreneur fostering innovation in healthcare. He graduated from Stanford with a Biology degree and entered the national scene when he courageously blew the whistle at Theranos. Tyler complained to the public health regulators in New York and was a source for a series of Wall Street Journal articles exposing Theranos’ dubious blood-testing practices. Owing to his role in exposing the fraud, Shultz was featured in Bad Blood, the book about the scandal penned by John Carreyrou, as well as in Alex Gibney’s HBO documentary The Inventor: Out for Blood in Silicon Valley. Dooms open at 5 pm.

The Goldman Sachs Exploratory Program Applications are Open

Our Undergraduate Programs allow college freshmen and sophomores to learn more about financial services as well as our firm’s business, people and culture. Our goal is to bring students together from different schools, majors and backgrounds and to help them learn as much as possible as they explore future career interests and opportunities. Our program includes skill-building workshops, interactive case studies and networking sessions with Goldman professionals. Click here to learn more.

Nominate a Student for the Dr. Donald Brown Award!

The Dr. Donald Brown Award was established in honor of the former director of the Office of AHANA Student Programs, now the Thea Bowman AHANA and Intercultural Center. Every year the award honors a senior who throughout his undergraduate career has demonstrated initiative, leadership and service to campus, particularly with the AHANA community, in the areas of leadership, service, and academic development. Winners of this Dr. Brown Award reflect the character and integrity that Dr. Brown brought to the Boston College community. The focus of the Award is the recognition of student engagement on campus, particularly with the AHANA community, over all four years of a student’s undergraduate career. In addition to a strong academic performance, nominees should have demonstrated significant initiative and leadership in the larger university community. Please nominate a student who you think would be a great candidate for this award. Students can also nominate students! The Deadline for Nominations is Friday, December 13th, 2019. nominationform.submit.
