Student Business Consortium is looking for a Team Leader for a Marketing Project!
This semester the SBC marketing project will be working with Lean On Me. Lean On Me is a service that Boston College recently teamed up with that anonymously matches peers to create texting networks of instantaneous support. Students can text in about any emotions or problems they may be experiencing. Lean On Me is a national service that is currently trying to find more universities to pair up with. We will be researching marketing tactics for them both at BC and for their national service.
We will be meeting right after spring break, but in the meantime we are looking for a team leader. The Team leader will run the marketing meetings and oversee the progress of the project. This is a great leadership opportunity! Please forward your experience to Isabelle Lumb at lumbi@bc.edu if you are interested in the position.
