Registering for Woods College Classes

Registration begins at 8:00 AM on the first day of classes in the Heights Room.

If you are going abroad in the spring, make sure you get courses approved before you go!

You must get courses approved before you leave for study abroad. Getting approval will require you to bring a course syllabus to the home department at Boston College and have it approved on a Study Abroad Course Substitution Form (available in Fulton 315.)

Tips for course approvals:

- The only two Carroll School core classes that may possibly be approved are Organizational Behavior and Operations Management. It is not a guarantee, but a possibility.
- You can only obtain concentration elective approval from the department after completing the core classes (e.g. Basic Finance or Marketing Principles.)
- To obtain approval for Cultural Diversity, students should complete the "Cultural Diversity Substitution Request Form.”
