**Know an Amazing Senior? Nominate them for the Dr. Donald Brown Award!**

The Dr. Donald Brown Award was established in honor of the former director of the Office of AHANA Student Programs, now the Thea Bowman AHANA and Intercultural Center. Every year the Award honors a senior who throughout his/her undergraduate career has made extraordinary contributions to the greater Boston College campus, particularly with the AHANA community, in the areas of leadership, service, and academic development. Winners of the Dr. Brown Award reflect the character and integrity that Dr. Brown brought to the Boston College community. The focus of the Award is the recognition of student engagement on campus, particularly with the AHANA community, over all four years of a student’s undergraduate career. In addition to a strong academic performance, nominees should have demonstrated significant initiative and leadership in the larger university community. Please nominate a student who you think would be a great candidate to honor for this award. Students can also nominate students! **The Deadline for Nominations is Friday December 7th, 2019.
