FINANCE DEPARTMENT REGISTRATION

As we prepare for registration, the Finance Department is committed to addressing every student's need and situation as best as possible and in as timely a manner as possible. Since finance classes are in very high demand and registration time slots are randomly assigned by the University, the Department administrators in Fulton 330 manage the official waitlist for all finance classes once they have closed. As sections fill up, the department does its due diligence by checking degree audits to, for example, ensure pre-requisites are met and avoid duplicate registration. Students are encouraged to stop by the Finance Department to be placed on the official waitlist once their pick time has passed and the class is closed. We remind students to
register for any open section of a class at their pick time if the class is needed. Finance professors do not keep separate waitlists; the official waitlist is kept by the finance department administrators.

The Finance Department's doors are always open to any student who has questions about courses or registration. Our hours are M-F from 9-5pm in Fulton 330. Students are also welcome to email the finance department (finddept@bc.edu) with any questions.

The Theology core has changed!
If you still need to take the Theology core requirements, you will see the offerings have changed beginning in the fall 2019. See details on their website: https://www.bc.edu/content/bc-web/schools/mcas/departments/theology/undergraduate/core-in-theology.html

If you have already completed your Theology core, you will still have fulfilled the requirements through your previous Theology core classes.

A Note about Strategic Management:
There will be more sections offered in the fall semester of your senior year, so it is recommended you take it in the fall as you will have more options for offerings.

Note: Not all available internships and jobs are listed here. For a full list of job postings, visit EagleLink at www.bc.edu/eaglelink
