John Hancock Actuarial Campus Connect – Our Goal

Date: Friday, March 22, 2019
Time: 8:30am – 4:00pm
Location: John Hancock, Back Bay, Boston office

Actuarial Campus Connect Day will take place on Friday, March 22 at our Back Bay location. This is a one-day event with the hopes of allowing students with strong mathematics and statistics aptitude to gain exposure to the actuary field and then ideally to join us for internship opportunities in the future. We are targeting freshmen, sophomores and juniors from New England based universities considering a career in Actuarial Science.

We have updated our agenda to make it an even more rewarding experience for you! This is a free full-day event (8:30am - 4:00pm) with multiple events including panel discussions with various actuaries across the organization, facilitated networking, career trajectory narratives, tour of buildings, career fair, and case studies. Breakfast and lunch will be provided.

If this sounds fascinating, please complete the intake form (https://www.surveymonkey.com/r/Z33TBXY) and send a copy of your resume to CampusTalentAcquisition@jhancock.com by March 7th. This is a selective process, so upon receiving your submission, the Campus Connect Committee Team at John Hancock will review and provide an update regarding status and/or next steps.
RAP Fun Fact

New York employers with the most CSOM grads are the Big 4 Accounting Firms, Citi, JP Morgan, and UBS. Unfortunately, even though we share a campus, Chinese and American students don’t get a lot of chances to learn about each other much. That’s why Dui Hua is here. We will answer EVERY ONE of them, either in our weekly meeting or through email. Anonymous results of this survey and future events will be posted on our Instagram @duihuabc. https://www.instagram.com/duihuabc/.
