this week ADVISING

Learn to Build Apps at BC Dublin in June
Prof. Gallaugher will be offering “Code in Another Country - Ireland”, a 3 week, 3-credit bootcamp-style programming course. No prior experience is necessary, but students must have a Mac laptop. Over three weeks, students will learn programming using the Swift programming language while also learning to build iOS apps. The ‘flipped class” approach will have students learn via hands-on learn-to-code video lessons, while traditional “homework” of exercises and problems will be completed together, in class. There will also be a weekend excursion to Galway, visits with tech firms, and more. Open to all students, all schools. Apply before all slots are filled. Application information at:
Still have questions? Contact Prof. Gallaugher at: john.gallaugher@bc.edu

You can "pre-register" for a BC summer class starting now!

Diversity/Leadership and Pre Internship Programs.
This document has an extensive list of the different Diversity and Pre-intern programs offered by many of the companies that recruit here at BC and some that don’t recruit here so these programs are good way to get in. Many deadlines for sophomores have passed so for first year students you may want to observe when the deadlines typically are.

John Hancock Actuarial Campus Connect – Our Goal
Date: Friday, March 22, 2019
Time: 8:30am – 4:00pm
Location: John Hancock, Back Bay, Boston office
Actuarial Campus Connect Day will take place on Friday, March 22 at our Back Bay location. This is a one-day event with the hopes of allowing students with strong mathematics and statistics aptitude to gain exposure to the actuary field and then ideally to join us for internship opportunities in the future. We are targeting freshmen, sophomores and juniors from New England based universities considering a career in Actuarial Science.
We have updated our agenda to make it an even more rewarding experience for you! This is a free full-day event (8:30am - 4:00pm) with multiple events including panel discussions with various actuaries across the organization, facilitated networking, career trajectory narratives, tour of buildings, career fair, and case studies. Breakfast and lunch will be provided.
If this sounds fascinating, please complete the intake form (https://www.surveymonkey.com/r/Z33TBXY) and send a copy of your resume to CampusTalentAcquisition@jhancock.com by March 7th. This is a selective process, so upon receiving your submission, the Campus Connect Committee Team at John Hancock will review and provide an update regarding status and/or next steps. https://www.surveymonkey.com/r/Z33TBXY
