ModernGuild

ModernGuild (MG) is partnering with top consulting firms and banks (including Barclays, Citi, Credit Suisse, Deloitte, Goldman Sachs, J.P. Morgan Chase, Nomura,
Point72, PwC, TD Bank, UBS and William Blair) to reimagine campus recruiting. Through our unique matchmaking process, we pair you with your favorite companies, empowering you with an expansive network of peers and mentors, a deep understanding of your chosen industry, and the technical skills required to ace your interviews. 86% of our program grads have accepted an offer within 3 months of completion and many of them knew little about these industries when they began – we value curiosity and motivation.

Our training programs are currently offered across two industry tracks — consulting and finance — at no cost whatsoever to students. Following our 3-week Virtual Career Fair (5/13 – 5/31), ModernGuild advocates on your behalf based on your company and position preferences. All students who match with an opportunity are then invited into a 2-week Accelerator designed to help you maximize your chances of landing a Summer 2020 offer. You may participate from anywhere provided you have reliable internet access and you are expected to commit up to 5 hours/week to the experience. The final deadline for Summer 2019 Accelerators is May 9th at 11:59pm EDT.
