Save the Date: Sign up for Student Ambassador Fair!
We are looking for interested Campus Ambassadors to participate in our Campus Ambassador Fair.

We are looking for three freshman or sophomore transfers who are excited about creating and planning an event in the spring, and running social media in the spring. This is a fantastic opportunity for those who are ready, but not something to be taken lightly. You will be paired with one of our 3 VPs: VP of programming, VP communications, or VP of finance. You will be fully integrated into our board, learn how budgets work, and spearhead disruptive technologies in large markets. This is a great way to get hands-on experience and leadership experience before graduating, network with Kristie and other interested students.
