Applications for 2019-2020 Gordon Post-Doctoral Research Fellows Program

The Gordon Program is seeking applications for the 2019-2020 International Post-Doctoral Research Fellows Program. This program is open to scholars interested in advancing:

- Clinical decision making
- Standardized language (e.g. nursing diagnosis)
- Nursing knowledge development

Applications will be accepted between April 15th and June 30th. Final decisions will be made by July 15th, 2019. The appointment is generally for one year and does not provide any direct monetary support.

All applicants are asked to submit the following information:

- Letter of intent describing the proposed focus of your appointment, outcomes of your proposed investigation and funding in place to support your work
- Completed fellowship application
- Completed Biosketch
- Copy of current Curriculum Vitae

Each application will be part of a review process that will include applicant's research focus, mentoring opportunities, and impact of project outcomes. All application materials, including the letter of intent, can be emailed to Dorothy.Jones@bc.edu

Upon notification of acceptance, the Gordon Program Director will contact the newly appointed Gordon Fellow to develop a timeline for accomplishing proposed research goals. There will be opportunities to come to Boston College to meet and work with mentors directly as well as access the library, research, and archival materials. A space will be available in the Connell School of Nursing during the Scholar's time on Campus. Thank you in advance for your interest in the program. We look forward to hearing from you in the near future.

Sincerely yours,

Dorothy A. Jones
