### **International Academic Teaching/Collaborations**

#### **Xavier Seminar Continuing Ed Forms, Philippines**

- Flanagan, J and Gregory, K. (April, 2023). Writing for Publication.

#### **Catholica University, Lisbon, Portugal**

- Dr. Sylvia Caldeira and I led a team on publishing a paper in spiritual distress in the outpatient oncology setting as noted under publications.
- In addition, I have provided guest lectures each semester since Fall 2022 as part of a collaborative online international lecture (COIL) series to Ph.D. students on a variety of topics.

#### **Ochanomizu University, Japan**

- I provided guest lectures as part of a collaborative online international lecture (COIL) series to Ph.D. students on theory integration into nursing research and qualitative research methods.

#### **MUST University, School of Nursing, Uganda**

- Invited faculty as part of MGH Global Health. My role was to teach a series of research courses on the graduate level that was aimed at helping the students fulfill their goal of a thesis. The role involved lecturing, critiquing and individual mentorship of eight students in the Winter of 2022.
