

Teaching Assistant Application Form

Please complete the form below and return to Mary-Beth Crowley, Graduate Programs Office, Maloney Hall, 2nd Floor (crowlemr@bc.edu).

Teaching Assistant generally provide assistance to faculty in the conduct of their course work and student clinical experiences. The work would involve activities such as preparing reference lists, syllabi, exams, doing a first reading on papers, monitoring examinations; and in some instances clinical teaching. The specific responsibilities for each position will be assigned by the instructor. The TA's are scheduled to work either 7.5 hours a week (part time) or 15 hours a week (full time) depending on the position. The stipend is approximately \$7,176 for the full time position and approximately \$3,588 for the part time position. The stipend is taxable.
