Welcome to the William F. Connell School of Nursing Class of 2019!

IMMUNIZATION HISTORY and CPR - REQUIRED ON ENROLLMENT
DUE June 30, 2017 **this is our nursing school due date**

IMMUNIZATION INSTRUCTIONS:
- Students must be in compliance with the institutions’ rule and regulations for immunizations (NO exceptions)
- Please click on the link below from the BC website to access the Health Services information for Graduate students requirements
  [http://www.bc.edu/offices/uhs/forms/immunization.html](http://www.bc.edu/offices/uhs/forms/immunization.html)
  (BC Health Services)
  - Make sure you click on “Full Time Graduate Immunization Forms”

- **VERY IMPORTANT - RETAIN A COPY OF THE COMPLETED FORM FOR YOUR RECORDS**
- Please note that as a nursing student you WILL need a PPD after June 1, 2017 and before June 30, 2017 and **either** 2 Varicella vaccines OR a Varicella Titer. HepB Titers are encouraged and needed by certain clinical sites.

Verification of your health and immunization status is required by state law, School of Nursing policies, and contractual arrangement with agencies used for clinical practicum experiences.

**RETAIN COPIES OF COMPLETED HEALTH FORMS FOR YOUR RECORDS**

CPR_CPR is required prior to enrolling in classes. It must be at the Healthcare Provider level and cover adults, children and infants. Appropriate courses are offered by the American Heart Association. Send a copy of the card to Deb Wenstrom Deborah.wenstrom@bc.edu

Please contact Deb Wenstrom or Janet Stout in the Clinical Placement Office, William F. Connell School of Nursing with any questions about immunizations or CPR.
