All Boston College Law School students are required to take an upper-level course with a significant writing experience in order to graduate. It can be taken at any time during the second or third year. **Students who intend to use a course to satisfy the upper-level writing requirement may not take the course Pass/Fail, if that is offered as an option.**

All 2 credit Independent Studies will satisfy the ABA writing requirement if writing a graded paper of 30 pages or more.

*Courses denoted with an asterisk are listed with a 2/3 or 3/4 credit option. Students who opt for the higher number of credits will fulfill the upper-level writing requirement.

Note: One course can count towards satisfying the perspectives requirement and *either* the upper-level writing or experiential learning/lawyering skills requirement. One course cannot count towards both upper-level writing and experiential learning/lawyering skills.
