

ENTRY LEVEL IN-HOUSE RECRUITING

A growing trend and smart solution to the increased demands legal departments face, hiring a highly motivated new lawyer provides you with the support you need at a reasonable cost. Law students today have significant opportunity to gain practical experience in law school. Whether your legal department is 1 or 100 attorneys, we can help you find the right fit.

Hire a talented new lawyer who:

- Takes initiative to learn your business quickly
- Manages projects independently and effectively
- Applies appropriate technology for increased efficiency
- Contributes to the team and communicates well with others
- Helps analyze and solve problems creatively

BC Law will:

- Share sample job postings and related market info
- Connect you with in-house counsel who have found success with this hiring model
- Source and provide insight on candidates
- Facilitate the interview process
- Provide high quality service and responsiveness
